EXPO

dogsofa[®] EXPO

Per l'esposizione al pubblico è stato ideato un espositore componibile che può presentare da uno a quattro dogsofà. La struttura è di metallo colorato verniciato rosso o nero.

To show the Dogsofa in public, we decided to realize a special accessory that is to say a display stand for a minimum of one sofa to a maximum of 4 pieces with a metal frame lacquered in red or black colours.
